# MITAS ENDURO TRAIL+ DAKAR TIRE 170/60B17 72H TL

## 239,00€

- Uses an ultra heavy-duty dual compound designed for maximum durability with up to 20% more mileage compared to the standard version and is virtually puncture proof thanks to its reinforced carcass
- Features large chevron style block pattern and independent shoulder knobs for ideal handling & wear on tarmac combined with stable, predictable off-highway performance
- Can be used in combination with other E-07/E-07+ or Enduro Trail 60/40 & 50/50 tires for

customized performance

- Yellow stripe sidewall marking indicates stiffer sidewall/carcass & longer wearing rubber compound
- Designed for 60% road / 40% off-road use on adventure & dual sport motorcycles
- E-07+ sidewall marking confirms the highly popular original design
- Replaces E-07+ adventure product line
- Recommended for all dual purpose adventure touring motorcycles.
