

## ADJUSTABLE FOOT BRAKE LEVER

**124,90€**

26221-003. A clever alternative to the delicate, impractical and plain original. The brake pedal can now be adjusted to every shoe size or habit. Furthermore you can brake the GS much more comfortably and safely thanks to the spikes and to the foot brake lever on roller bearings.

The facts:

Foldable.

Non-slip spikes.

Adjustable length.

Wear-free VA folding mechanism. Extra bolted.

Reinforced fastening.

High-strength, CNC machined 7075 T6 aluminium.

Extremely low weight construction.

5 years guarantee.

Made in Germany.
