

BMW SPEEDOMETER KEY CHAIN ROUND – NOSTALGIC ART

5,90€

25320-600. Useful companion

A key chain has to meet lots of requirements: It should be pretty and practical – but more importantly stable and resistant too. But it can't be too big and too heavy. All in all, a pretty, useful, small, resistant companion for every day that doesn't look to clunky on your keyring.

This is exactly the kind of companion you get with this BMW key chain.

The facts:

Emblem format: 4x4 cm

Made of rustproof stainless steel

Front side sealed with epoxy resin

Print on the rear side that matches the motif

Attaches securely to the chain with a double bind ring
