52,00€

R 1200 GS LC (2013 -) t

This additional storage space for tools, snickers and / or reserve gloves can be easily mounted.

The facts:

Useful solution for the gap under the luggage rack of the GS.

Individually formed to the contour of the gap under the luggage carrier.

A tight fit and cushioning avoid rattling and damage to the luggage rack and its contents.

A lot of space for reserve gloves, First Aid Kit, tools and more.

Easy mounting.

Due to its robust material it can permanently remain at the motorcycle.

Waterproof, Teflon-coated CORDURA fabric; high strength, abrasion-resistant and not subject to fade.

Water - /dustproof zipper with an additional foldable protective sleeve.

Shock-absorbing reinforcements in the top, bottom and side walls.

The inner lining provides a better overview so nothing can get lost in the bag.

Handy zippers.

Non-slip contact area with the rear frame.

Attachment loop can also be used as a belt loop.

Made in Germany/Europe.
