

BRAKE RESERVOIR PROTECTOR REAR – SILVER G650X

23,00€

G 650 X Challenge
G 650 X Country
G 650 X Moto

Protects the rear brake reservoir, which is otherwise vulnerable to deliberate damage and to being ripped off altogether. The reservoir is very exposed and is only held in place by a single bolt. One moment of carelessness is enough for the reservoir to be damaged or even ripped off altogether.

Our strong protective element holds the reservoir firmly in place, excluding any possibility of damage or loss, and the reservoir is also protected from vandalism (holder prevents the reservoir lid from being unscrewed).
