

BULB 12V / 16W GLAS SOCKET

4,07€

39050-004. A small change with a big effect: in just a few minutes you can say goodbye to the big yellow lugs and hello to a slimmer line. The indicators are now quietly blended into the design, and the vehicle has a more harmonious appearance. For the original indicator housing. E-approved. TÜV exempt due to E-certification. Amber bulb (single item).
