

EXTENDA FENDER FRONT – BLACK K1600 GT/GTL

62,40€

K 1600 GT t

K 1600 GTL

The original mudguard is simply too short!

The result is dirty headers and engine cases, clogged up oil coolers, stone damage to the radiator and unnecessary water splashing are irritating.

This extension of the original mudguard, thermoformed from ABS material, puts an end to the problem.

Supplied complete with fastening screws and self-adhesive foam strips for a vibration-free and secure fit.

Black ABS plastic.

For the original mudguards.
