

## EXTENDER FENDER FRONT BLACK R 1200 RT LC (2014 - )

**52,00€**

R 1200 RT LC (2014 - )

The original mudguard is simply too short!  
The result is dirty headers and engine cases, clogged up oil coolers, stone damage to the radiator and unnecessary water splashing are irritating.

This extension of the original mudguard, thermoformed from ABS material, puts an end to the problem.

Supplied complete with fastening screws and self-adhesive foam strips for a vibration-free and secure fit.

Black ABS plastic.

For the original mudguards.
