

## FEELER GAUGES

**11,90€**

21570-000. Special feeler gauge set for a accurate valve adjustment. As well as the standard thicknesses, this set contains some slightly unusual sizes. In this way the ideal setting can be found to avoid rattling valves. Blades fold away into handle. Sizes included: 0.03 mm; 0.05 mm; 0.08 mm; 0.10 mm; 0.13 mm; 0.15 mm; 0.18 mm; 0.20 mm; 0.25 mm
