R 1200 R LC
R 1200 RS LC
R 1200 RT LC (2014 -)

You can now redesign the optics of your armatures within a few moments.

Our covers are made of special plastic with a 3D carbon look and are a real highlight thanks to the very elaborate clear plastic coating. This special coating underlines perfectly the three-dimensional carbon design and makes this product very durable. The underside of the cover is coated with thin and highly adhesive 3M special glue layer. Easy mounting.
