R 1200 R (2011 - 2014) t

Dirty headers and engine cases, stone damage and unnecessary water splashing are irritating, because the original mudguard is too short to cover them up.

This extension of the original mudguard, thermoformed from ABS material, puts an end to the problem. Supplied complete with fastening screws and self-adhesive foam strips for a vibration-free and secure fit. Black ABS plastic.

For the original mudguards.
