

HEPCO & BECKER LUGGAGE FRAME SET

250,40€

31742-002. An extremely lightweight and easy to use bag/carrier system that is form-fit for comfort and stability when riding. Compared to the hard shell cases, the new soft cases are significantly lighter, unsusceptible to external damage and user-friendly.

The facts:

Lightweight and robust.

Reinforced edging. Safer condition of secured cases.

Quick mounting to number plate and passenger foot rest.

Lightweight, discreet luggage system. Designed by TARGET. In its entirety, this luggage system sets new standards and makes the R nineT the perfect touring motorcycle.

The footrests are removed when mounting the C-bow soft bag holder. This means it is no longer possible to carry a passenger.
