

MOTOGADGET "M-BLAZE DISC" INDICATOR LEFT

119,70€

36342-202. The m-Blaze Disc is the indicator signal of the latest generation. Characteristic feature of the LED indicator is its transparent lighting disc on a compact aluminium base which harmonically completes with the handle at the bar end. The discreet aluminium housing acts as a good mount for the glass as well as it integrates control unit and high-End LEDs.
