

## MOTUL DPF CLEAN HIUKKASUODATTIMEN HOITO-/PUHDISTUSAINE 300ML

**12,90€**

MOTUL DPF CLEANER DIESEL is a cleaner additive designed to be used in all types of Diesel engines, with direct or indirect injection, naturally aspirated or turbocharged, with DPF (Diesel Particulate Filter) and/or with SCR (Selective Catalytic Reduction) systems. MOTUL DPF CLEANER DIESEL effectively increases the performance of the DPF regeneration
