

MOTUL MULTI ATF AUTOMAATTIVAIHTEISTO-/OHJAUSTEHOSTINÖLJY DEXRON/MERCON 20 LITRAA

509,00€

100% Synthetic transmission fluid. This High performance low viscosity lubricant specially engineered for modern automatic transmission (manual mode, sequential mode, electronically controlled ...) requiring a DEXRON and MECRON fluid. Its exclusive and dedicated formula Protects the numerous, compact and heavily loaded gears thanks to advance anti-wear properties. It extends life time duration offering high shear stability at hot temperature and oxidation resistance. Motul MULTI ATF allows fuel economy for cars fitted with automatic gearboxes by reducing epicyclical gears friction and Improves automatic gearboxes reaction at cold temperature. This lubricant is formulated with anti-corrosion and anti-foam agents and provides anti-shudder performance to avoids vibrations on engine fly wheel. This product extends life time duration, offers better shear stability at hot temperature and oxidation resistance.

Performances:

MOTUL MULTI ATF is a 100% Synthetic high tech lubricant featuring outstanding performance with regards to DEXRON III and MERCON standards requirements.

Thanks to its exclusive and dedicated formula, MULTI ATF:

- Allows fuel economy for cars fitted with automatic gearboxes by reducing epicyclical gears friction.
- Provides anti-shudder performance and then avoids vibrations on engine fly wheel.
- Protects gears that are more and more numerous, compact and heavily loaded.

- Gives superior automatic transmission response: smooth shift feel and minimizing shift time lag.
 - Improves automatic gearboxes reaction at cold temperature.
- Extends life time duration, better shear stability at hot temperature and oxidation resistance.
 - Anti-wear, anti-corrosion, anti-foam.

Standards:

MB 236.3, MB 236.5, MB 236.7, MB 236.9, MB 236.10, MB 236.11, MB 236.12, GM DEXRON II D, GM DEXRON II E, GM DEXRON III G, GM DEXRON III H, Chrysler ATF+3, ATF+4, Ford MERCON, MERCON SP, MERCON V, Toyota ATF D-III, ATF Type T, ATF Type T-II, ATF Type T-III, ATF Type T-IV, ATF WS, Nissan MATIC D, MATIC J, MATIC K, MATICS, MATIC W...(See technical data sheet for other possible uses.)
