OXFORD JARRUVIVUN LUKITSIN

This devilishly clever little device makes all those cut inner tubes, rubber bands and cable ties completely redundant, so that you can secure your bike with confidence. From transporting your bike by trailer or van, parking up on the ferry or on a hill, the Oxford Clamp-On Brake Lever Clip will ensure your bike remains where you put it.

Key Features

- Brake lever clip
- Compresses the brake lever during transport or while working on a motorbike
