

## QUICK SEAT REPAIR

**17,90€**

25190-002. Very strong self-adhesive pad for holes in the original seats. The facts: Simple repair for damaged seats. Simple to cut to size and stick to the damaged area. The underside of the pad consists of a self-adhesive layer of acrylic with thin polyester film and is thus water resistant.

Dimensions: 110 mm x 170 mm.
