

RR POWER SHOULDER BAG

21,00€

36660-000. This shoulder bag is manufactured of Truck Tarp material. In Europe, it is very common for big trucks to have a fabric covering instead of metal to facilitate easy loading and unloading while protecting the transported contents from wind, weather and tampering. Truck Tarp materials offers an outstanding comfort and feel that is truly unique and individual. It is a material that is as tough as an 18-wheeler! The material is nearly indestructible. Because it was designed for commercial trucking, it is waterproof, abrasion resistant, heat resistant, cold resistant, and flame resistant. It with withstand a force of 3,000 Newtons (675 Pounds) before tearing and it is UV and fade resistant. Embroidered RR Power Logo Several interior pouches Pen/pencil holders Mobile Phone compartment Shoulder Strap with padding Adjustable waist band Dimensions: 27 x 37 x 8.5 cm (10.5" x 14.5" x 3.3") Approximately 8 Liters volume.
