The facts:

Can only be opened using the special key.

One-piece, indestructible construction.

Machined dipstick for the exact measurement of the oil level.

Completely leakproof.

If the plug gets stuck, a lever (e.g. hex key from the bike toolkit or another pointed object) can be inserted.

High quality surface finish, anodised silver or titanium colour.

Key designed as a fob.

Special key can be added to bikes' key.

Made in Germany.

SKU: 27430-001
