

SIDE STAND ENLARGER

~~52,90€~~ **38,40€**

27360-202. Additional insurance for the F800 GS: fully loaded or on loose ground the bike supported on the side stand can easily get bogged down. A precisely machined extension plate that can quickly be bolted to the side stand eliminates this risk. The facts: Safe support for the machine on all surfaces. Compensates for the leaning angle of the motorcycle. Surface area increased by more than 100%. 8 mm (0.31")- thick Dural aluminium. Rustproof anodised black.

Rust protection for the original stand plate. Cut-out for original foot lined with vibration-absorbing foam rubber. CNC machined. Easy to fit. Made in Germany.
