F 800 GS Adventure (2013 –)

Additional insurance for the F800 GS Adventure: fully loaded or on loose ground the bike supported on the side stand can easily get bogged down. A precisely machined extension plate that can quickly be bolted to the side stand eliminates this risk.

The facts:

Safe support for the machine on all surfaces.

Compensates for the leaning angle of the motorcycle.

Surface area increased by more than 100%.

8 mm (0.31")- thick Dural aluminium.

Rustproof anodised black.

Rust protection for the original stand plate.

Cut-out for original foot lined with vibration-absorbing foam rubber.

CNC machined.

Easy to fit.

Made in Germany.
