

SP-CONNECT "MIRROR MOUNT" MIRROR MOUNTING SET

31,20€

45151-008. Mount the SP Connect Mirror Mount on the mirror of your BMW or any other motorbike and you can attach your smartphone with the accompanying smartphone in seconds by placing it on the holder and locking it with a 90° clockwise turn

Your smartphone is positioned perfectly in the field of vision so you can use your apps, access your playlists, read messages or navigate. Use the Weather Cover to protect your iPhone or Samsung against rain and dirt and to provide added impact resistance.

The facts
