

A collection of various tools including wrenches, sockets, a screwdriver, and a torque wrench. The tools are arranged in a circular pattern around a central logo. The logo consists of the word "STRAIGHTLINE" in red, bold, sans-serif capital letters, followed by the word "PERFORMANCE" in black, italicized, sans-serif capital letters. To the right of the text is a small graphic of a checkered flag.

SPI Complete Ski-doo Serice Tool Kit, works on all TRAs except 583 and 617 eng
