R 1200 RS LC

The starter protector for the R 1200 GS LC prevents the starter of the travelling Enduro from damage.

Tipping over or falling as well as accidental kicks with the motorcycle boots would no longer damage the costly starter. The starter protector consists of anodized and extremely resistant aluminium and is safely mounted via two cable ties and two screws.

The protector is "Made in Germany" and will be delivered inclusive a 5 year warranty and a complete fitting kit.
