

WUNDERLICH TOP CASE RACK »PREMIUM« – CHROMED K1600GT/ GTL

269,00€

A luggage rack exclusively designed for the K1600 GT | GTL top cases. A classy, yet practical addition to the original top case. For storing even more luggage or anything that needs to be accessed quickly and |or doesn' t require storage in the top case (wet rain gear, gloves, etc.) The rack offers another way to attach some extra gear or a good spot for those things that you really don' t want inside the top case, like for example a wet rain suit. In designing the rack, we followed the shape of the top case and backrest, creating an optimal shape for full utilization of available space. Available chrome plated or powder coated black.

The facts:

- Four sealed, strong attachment points
- Fits BMW top case for the K1600 GT and GTL
- Precision shaped steel tubing
- Optical highlight, compliments top case
- Available chrome plated or black powder coated
- Supplied complete with all needed hardware and instructions
- Made in Germany

Please note: Installation requires drilling 4 holes in the lid of the top case
