This top case rack was designed exclusively to fit the original BMW top case. It is a very elegant and simultaneously useful addition to your top case that allows you to carry additional gear along and/or those things that you wouldn't want to put in your top case, such as wet rain suits, gloves etc.

The facts:

Sealed, robust attachment at four points. (the tubing has threaded ends).  
Seamless precision steel tubing.  
Outstanding black powder-coated finish and workmanship. Made in Germany.  
Supplied seals create waterproof attachment points.  
Includes all necessary hardware and drilling template.  
Easy to fit
