

TRW LUCAS DISC BRAKE SINTERED METAL PAD REAR

55,00€

23470-000. The best pad for the best motorcycle. We highly recommend these pads for the 4V boxer, as they far exceed the most extreme braking requirements. The facts: All the Lucas advantages. Won the famous MOTORRAD motorcycle magazine comparison test (Edition 4/98. Tested against 6 other compounds on a Honda VTR 1000 F). Full metal compound mixture. Very high abrasive coefficient. Needs only minimal bedding in time. Excellent braking also in wet conditions. Very durable. Sold as Set for one brake disk.
