

WUNDERLICH ADAPTER FOR SP-CONNECT ON STUB HANDLEBARS

41,60€

45150-401. This adapter lengthens the handlebar mount to the middle of the fork brace, whereby this extension can be attached to a normal SP-Connect system round pipe bracket. This positions the smartphone securely in the field of vision for use in navigation, etc.

The facts:

High-strength aluminium
Delivery incl. longer screw for attachment
Easy installation by swapping the screws
5 year warranty
Please observe the vehicle allocation.
