

WUNDERLICH ADAPTER SET FOR VARIO CASES R 1250 GS AND OTHERS ON R 1300 GS - BLACK

255,00€

- This adapter set allows you to securely mount the Vario cases from the BMW R 1250 GS, R 1200 GS LC, F 750/850 GS or F 800 GS (2023-) onto the Vario carrier of the BMW R 1300 GS
- These Vario cases look fantastic and really enhance the adventure look of the BMW R 1300 GS
 - The locking mechanism and functionality of the above-mentioned Vario cases remain unchanged
 - The cases are lockable on the carrier
- The adapter set is specifically designed for road use and is not intended for off-road use
 - The set consists of:
 - two brackets that are attached to the motorcycle's pillion footrest brackets
 - two holding elements, which are securely mounted and bolted to the cases
 - High-quality craftsmanship, finished in discreet black
 - Easy to install
