

WUNDERLICH ADVENTURE TANK PROTECTION BAR F 750 GS (2018-) / F 800 GS (2023-) BLACK

~~315,00€~~ **212,30€**

41580-302. We have developed this elaborately constructed fairing protection bar for the F 750 GS. It provides both the tank and the fairing with reliable protection and can be combined with our, the original BMW or other accessory engine protection bars.

The facts:

Perfect protection for the tank and fairing

High-quality, rustproof stainless steel

Resilient attachment points reliably absorb occurring forces and therefore prevent costly damage

Visually refined integration into the F's design

Lightweight with a big impact

Detailed, easy-to-understand instructions for easy attachment

Can be assembled with any accessory engine protection bar, because it is assembled on the vehicle and not on the engine protection bar

Delivery incl. attachments

Made in Germany
