

WUNDERLICH PROTECTION BAR PROTECTOR SET - 25 MM - BLACK

~~93,70€~~ 84,35€

35833-002. In the worst case scenario, crash bar protect the motorcycle from the need for expensive repairs. Falls or even mishaps also often leave behind heavy marks on the crash bars themselves, however. This is really aggravating, and not just with painted bars..

These practical and helpful slide pads made of resistant plastic reliably prevents scratches to the crash bar. Thanks to an aluminium clamp with four screws they attach safely and reliably to almost all crash bars and tank protection bars. A small investment that can quickly pay real dividends.

The facts:

- Slide pads made of resistant plastic
- Clamp made of aluminium
- Can be mounted on almost all crash bars and tank protection bars (diam. 25 mm)
- Elegant appearance, sophisticated design
- Easy assembly
- Unshakable hold thanks to slip-proof lining
- Delivered in pairs for both sides
- Width/height/length: 47 mm/37 mm/145 mm
- Made in Germany
- 5 year warranty
