

WUNDERLICH CRASH PADS FOR THE CRASH BARS S 1000 XR (-2019)

72,80€

35832-104. This crash pads can be fitted on the crash bar of the XR (Item nr. 35832-002) to provide extra protection to the side fairing and to the engine. Those pads are made for racings and the wide outer radius provides a good sliding effect in case of an impact. Elegant design and high-quality processing. Sturdy mounting on the crash bar. Highly stressable pads made of special plastic. Kit including 2 pieces. Easy and quick mounting.
