WUNDERLICH ENGINE PROTECTION BAR “BAGGER STYLE”

394,90€

35510-201. Engine protection bar “Bagger Style”

The engine protection bar has been especially tailored to the body of the Bagger. The bar incorporates the contour of the engine and the body and extends this up to our case protection bars. Stripped back to the essentials, the bar reliably protects the engine and the body in the worst case scenario.
