

## WUNDERLICH FRAME PLUG SET 11-PIECE R 1200 GS LC/ R1250 GS

**62,40€**

42742-102. 11-piece set Wunderlich frame plug for both sides of the R 1200/1250 GS LC

We close the rather unattractive holes in the frame of the R 1200/1250 GS LC with these covers made of a special hard rubber material. This means dirt can no longer collect here and the GS is visually upgraded in a sustainable way.

The facts:

- Covers for all frame openings
- Set for right and left
- Dirt and rust build-up are thus avoided
- Optical upgrading
- High-quality, extremely resistant hard rubber material
- 100% perfect fit and secure seat
- Easy and quick installation
- Made in Germany
- 5 year warranty

Cover plugs for the tank protection bars on the R 1200 GS Adventure are optionally available under item number 42742-302.
