

WUNDERLICH HAND GUARDS - SMOKED GREY

166,60€

27520-302. Hand guards have many advantages both on road and off, such as offering maximum protection from cold, rain, or dirt.

Made of highly sturdy, scratch- and shatter-resistant acrylic plastic in transparent or smoke grey.

Lightweight, discreet mounting kit for simple and quick installation.

Can be used with or without grip heating. TÜV-free, no registration required. Can be used with all handlebar end weights and cruise control

Note for R 1200 RS LC:

Order 27520-312 mounting kit in the same order

order with original auxiliary headlights and SOS button mounting kit 27520-322

cannot be combined with 20521-005/-006

fits easily with full steering angle in combination with windscreen 43956-111/112.

Note for R 1200/1250 RT LC:

Order 27520-312 mounting kit in the same order

order with original auxiliary headlights and SOS button mounting kit 27520-322

only fits with our handlebar riser 31040-201

The view of the original fairing mirror could be restricted, depending on the seating position.

That's why we recommend that you use our secondary mirror item no. 23640-000. The mirrors

can be attached to the holder for the hand protectors with minimal fuss and give you an

unrestricted view behind you.
