

WUNDERLICH HELMET CARRY STRAP

20,70€

44320-700. Who hasn't been there? After a nice ride you go for a little walk around the town. And of course, not only do you have to carry your heavy jacket around but your helmet too. Your hands are full so you can't even enjoy slurping a nice ice cream. But now that's over! Thanks to the Wunderlich helmet carry strap, your hands stay free and you no longer have to put your helmet on the floor.

This practical accompaniment fits all helmets with a ratchet closure (Mirco-Metric), Nexus clip or double D-ring closure: The carry strap either connects with the existing ratchet closure or simply attaches to the close helmet clip. The facts: Function Attaches to the helmet clip

Hands stay free

You don't have to put the helmet down
