

WUNDERLICH KEY POUCH LEATHER - BROWN

37,00€

44115-900. Key pouch made of leather for the Keyless Ride System

The facts:

High-quality for the key for (riding) luck

Contour precision - fits the key snugly like a second skin

Protects against damage and misuse

Thanks to the cut-outs, the buttons are protected against misuse but still easily operable

With punch-outs for your keyring

Encloses the key tightly thanks to the incorporated rubber bungee

The key doesn't have to be removed from the cover to e.g. remove the case (simply open popper and press the button for the key. The key can spring out unhindered.)
