

WUNDERLICH LUGGAGE NET FOR BMW ALUMINIUM CASE - PIECE - BLACK

41,60€

20572-000. For everything you need quickly to hand: You can store rainwear, a first aid kit and tools in the cover of the original aluminium case and have it ready to hand right after opening. The net attaches using the two suspension struts provided. These are inserted into the existing rivet heads and tensioned. This means you don't need to drill any extra holes or remove any rivets and the case stays sealed tight.
