

## WUNDERLICH MUDGUARD EXTENSION EXTENDA FENDER XL S 1000 XR - FRONT - BLACK (-2019)

~~124,90€~~ **89,00€**

44790-102. Double protection for motor housing and brake calliper. This extension of the original mudguard not only protects the motor from damage due to stone impacts and unnecessary water turbulences, the additional support also integrates protection of the motor housing from aggressive brake dust. Additionally, there's no longer any need to drill the original mudguard to attach it.

The facts:

- Reliable protection of the motor and brake calliper
- Extension made of solid thermoplastic
- Support and brake calliper protection made of stainless steel
- Vibration-free and secure seat
- Complete with attachment material
