

WUNDERLICH PILLION LUGGAGE RACK "RALLYE"

259,50€

31742-302. This luggage rack is the perfect solution for all drivers who are under way and would like to store their luggage very near. This rack not only allows much more luggage to be accommodated, it also moves forwards. This makes the motorcycle both easier to handle and more comfortable to ride.

Stable, powder-coated precision bore

Secure, reliable fit

Complex, multi-part construction

Easy lashing possibilities

Perfect fit to the driver's seat

Fits both original and our AktivKomfort seats — and all standard accessories

Thanks to its straightforward disassembly, the pillion seat can quickly be remounted

Includes complete attachment kit and frame cover plate

5 year warranty

Made in Germany

For all R NineT with individual seats or separately acquired Wunderlich fenders "Enduro"
