

WUNDERLICH PILLION LUGGAGE RACK

208,30€

44951-002. This luggage rack for the R 1200 GS LC & R 1250 GS and the Adventure is the perfect solution for all solo riders who want to carry their luggage near their bike's centre of gravity. This rack not only allows much more luggage to be accommodated, it also moves forwards. This makes the loaded motorcycle both easier to handle and more comfortable to ride.

The facts:

Sturdy, powder-coated, 4mm-thick aluminium with low dead weight

Secure, reliable fit

Complex, multi-part construction

Numerous practical lashing options on all four sides

Cut-outs in the middle allow secure lashing of smaller items

Simple, fast assembly, similar to the pillion seat

Perfect fit to the driver's seat

Fits both original and our AktivKomfort seats – and all standard accessories

Lockable via the original seat lock

Thanks to its straightforward disassembly, the pillion seat can quickly be remounted

Includes complete fitting set

5 year warranty

Made in Germany

SKU: 44951-002
