

WUNDERLICH SIDE BAG »MAMMUT« R NINET

208,30€

44115-213. With much attention to detail of the created classics which are made exclusively for Wunderlich.

These stylish, olive black side bags for left and right made of waxed cotton aren't just a practical luggage solution, they also lend the R nineT an appealing, laid-back look. The real leather applications emphasise the value, the resistant inner lining turns the bags into robust use items.

A zip closure as well as two wide leather straps close the bags reliably and with style. The contents of 9.5 litres per bag can be protected against all weathering with optional water-tight interior bags.

The modern classics are attached with simple to use and secure LOXX quick releases on discreet stainless steel carriers that look great even without the bags.

Accessory parts possible shown are not included in the object of purchase!

The facts.:

Made out of resistant, waxed cotton

Applications in made from genuine leather

Quick fixing via slide-in unit and LOXX-quick fittings
