208,30€

38982-102. Note: Only to be used with tail fairing item no.: 44810-000

Our Sport licence plate holder for the R 1200 R LC and RS LC is the complete opposite to the unsightly protruding original. It encompasses the number plate in a lightweight, sophisticated and elegant way and gives the tail section the look of a significantly lighter and sportier line.

The facts:

Lighter, snug fitting and bare essentials reduced aluminium number plate holder.

Tilt adjustable.

Number plate height-adjustable via slots.

Number plate drilling template same as original (no need to drill new holes).

Laser-cut, coated aluminium.

Including LED licence plate illumination.
