

WUNDERLICH TANK BAG »ELEPHANT« – BLACK

228,20€

The facts:

- Extendable up to to 25 litres capacity.
- Can be compressed (using perimeter zipper) to 15 litres.
- Elastic compression band that can be adjusted and tightened (if the bag is not completely full when it is extended). Creates a firm, stable unit.
- Fast removal with one hand for fueling (obviously not on bikes with the gas tank at the rear...).
- Maximal space efficiency, Strong grip and paint protection through usage of base plate.
 - Base plate can be quickly removed or stay on the motorcycle.
 - Quick mounting with Off Road securing.
- Very large (A4) rotatable and removable map holder made of soft, strong PVC material. Handy rubber zip for easy opening (180° opening) to insert and remove the map easily.
 - Zig zag rubber for fast removal, e.g. gloves.
 - Protected interior compartment for a spare helmet visor.
 - Functional side bags with useful inner compartments.
- E-connect: waterproof outlet for electric cables such as mobile phone chargers etc..
 - Ergonomic zipper.
- Blue inner lining for a better overview, everything can be found easily.
 - Hard PVC plastic reinforced walls to keep the shape.
- Water repellent, dirt – resistant and Teflon – coated CORDURA: very strong, abrasion – resistant and will not fade.
- Additional carrying system. Can be used as a rucksack or shoulder bag with the straps supplied.
 - Ergonomic carrying handle.
 - Light weight.
- Base plate and tank bag are offered separately, so you only need a new base when you change the motorcycle.
 - Soft, slip-proof base. Protects against scratches on the tank (sticks like cling-film).
- Removable multifunctional bag (optional) with practical compartments for commonly needed items. Fast attachment integrated in the tank bag.).
 - Optional available.
 - Made in Germany & Europe.

Accessories (optional)

- organizer compartement (fast access to all important things), removable and useful extra compartements for e.g. sunglasses, mobile phones etc.
- rain cover (recommended for transport of sensitive equipment)
