

WUNDERLICH TANK PROTECTION BAR COVER PLUGS

10,30€

42742-302. 2-piece set of Wunderlich cover plugs for the tank protection bar of the R 1200 GS Adventure.

We've sealed the rather unattractive holes on the Adventure's tank protection bar with robust covers so that even here no dirt can collect and the BMW is optically upgraded in a sustainable way.

The facts:

Set (left and right)

Dirt/oxidation holes are closed

Visual upgrade

Unshakeable hold

Easy installation - simply slot in

Made in Germany

5 year warranty
