

WUNDERLICH TANK PROTECTION PAD – 3 PIECES – BLACK F 850GS ADV (2019–), F 900GS ADV (2023–)

62,40€

The tri-piece tankpad set is designed to match the design of the BMW. The pads effectively protect against scratches, damage and abrasion at all contact points, and improve knee closure and provide a more direct contact to the bike through increased adhesion. This significantly increases the driving experience and driving pleasure. The material consists of high-quality and non-slip black plastic, is shock-absorbing and slightly grained. The pads are self-adhesive.

The facts:

Function

- Suitably matched to the BMW
- Effective protection against scratches
- Provides excellent grip, better knee closure, more driving feel and driving fun
- Excellent shock absorption performance
- Remains dimensionally stable even at extreme temperatures
 - Resistant to almost all chemicals
 - UV-resistant

Specifications

- Material: Semi-rigid integral polyurethane foam
- Thickness: 4 mm

SKU: 28072-002
