

WUNDERLICH TOURING SCREEN 70TH-ROADSTER

259,50€

30472-002. Our designer Nicolas Petit draw a screen, exclusively for the R nineT, connecting „old-school“ elements with modern aerodynamic.

The facts: The screen shape is adapted to the rider, in every proportion.

A spoiler is discretely incorporated on the screen top.

Turbulence-free for arms, shoulder, upper body and head.

Adjustable in height and inclination.

Optical pure (clear view), 5 mm thick LEXAN.

Rounded, polished edges, no annoying edge protection.

Scratch-proof and break-proof.

Easy mounting.

Complete set with all mounting parts.

Smoke gray or transparent.

ABE approved.

Height: 420 mm

SKU: 30472-002
