

WUNDERLICH WINDSHIELD »MARATHON«

228,20€

20230-205. Sophisticated touring comfort for long, unencumbered tours. Wind protection and comfort are "state of the art" here. A screen that offers maximum wind protection and integrates perfectly into the overall vehicle layout in visual terms.

For models with a small windshield (short holder from factory).

The facts:

Maximum protection for head, upper body and arms.

Significantly higher and considerably widened over the whole area.

The vehicle design is consistently accommodated in every line and the screen thus integrates perfectly into the overall appearance.

Very robust, optically pure and petrol-resistant PMMA acrylic plastic.

Width: 350 mm

Height: 460 mm

5-year warranty

60 days right to return

With ABE

Note: This windscreen is only suitable for models with the short windscreen mount. The short windscreen mount is the standard windscreen mount for the F 750 GS with 115 mm spacing to the screw holes. If your F has a long windscreen mount with 160 mm screw spacing (can be ordered when purchasing the F 750 GS), please order windscreen 20230-105 or 20230-305.
